Table Talk

This semester we are thankful that we can continue having our table talk events on thursday evenings! So far this semester we have had worship, game night, vision board night, self care night, and so much more! Thank you to all the churches who donated to help us have our weekly meals! We are looking forward to when we can have you all back in our kitchen!

Upcoming Events:

April 14 - Maundy Thursday Service at the CCC during Table Talk

April 17 - Easter Sunday

April 21 - Senior Table Talk

April 24 & 25 - Exam Dinners

Lent 2022

We met on February 24 and had worship and a discussion about the church calendar and about the season of lent. Students are on spring break during Ash Wednesday, but were encouraged to find a way to observe the beginning of the season of Lent.

Spring Retreat

For our spring retreat this semester, we decided to stay local! We met on Friday night and kicked off the retreat watching a movie at the CCC together. Then on Saturday we did service projects, talked about devotions and what it means to be people who are devoted to our faith, tie dyed together, and did an escape room! Then on Sunday morning we went to church at Fredericksburg UMC!

Connections

We are thankful at the CCC to be connected to so many great people and ministries in our community. On March 24 we had several clergy come to our Table Talk for a Pastor Panel where we could talk about what it looks like to be a pastor - especially in current times! We also joined the House (the episcopal-lutheran campus ministry) for an event called Praying Hooky on March 26 to spend time together walking along the river and fellowshiping together!

Spring Festival

This semester the Board decided to have a Spring Festival! We had a yard sale, silent auction, CCC merch, egg hunts, and more! It was a great time to come together and be in our community! Look out for more information about next year!

THANK
YOU

Thank you all for your continual support and love of the CCC! We could not do what we do without you all! - Elizabeth
