

CCC End of the Year Newsletter

Throughout the year the CCC has had so many meaningful experiences. We have learned, grown, and had fun together. We are thankful for the support from many local churches, the POJ, and the VAUMC.

Fall 2019

Fall 2019 was packed with fun events, spiritual growth, and raising awareness. In the beginning of the semester we participated in the *Out of the Darkness* walk together. We had a paint night where we were able to get creative and paint a picture together. Then, Ebenezer UMC hosted a Trunk or Treat and it was so fun being a part of that!

We also went to Massanetta and had our fall retreat where we learned about interfaith dialogue as well as bonded more as a group. For fun, we went rollerskating together, and we had a great time! We ended the semester with our *Lessons and Carols* service preparing our hearts for Christmas.

Spring 2020

Students came back in January and were ready to start the semester! We had a great time meeting new students at Club Carnival, a carnival where students can get to know all of the clubs at UMW. Then we had a fun being creative at Paint Night painting *Watermelon Heist*! Then came time for the students to go home for Spring Break.

Then the students came back to finish the semester, however, the world wide COVID 19 Pandemic impacted the rest of the year for students. Classes were moved online and shortly after they learned that school would be online for the rest of the semester, and students then moved home to finish the year. Therefore, we had to be creative and find ways to connect online for the rest of the semester!

Upcoming Events:

Start of Fall Semester - August 24, 2020
Annual CCC Golf Tournament - October 5, 2020
Yard Sale Fundraiser - TBD
